

Question for written answer P-005127/2015
to the Commission
Rule 130
Emma McClarkin (ECR)

Subject: Geographical identification protection for non-agricultural products

Could the Commission please provide information on how many Member States have national geographic identification protection statuses for non-agricultural products?

In addition to this, it would be helpful to know how many non-agricultural products with geographical identification protection are recognised in the Member States.
