Rule 130

Subject: Asylum, Migration and Integration Fund

The new European Asylum, Migration and Integration Fund (AMIF) for the funding period 2014-2020 is intended, through its priorities, namely the Common European Asylum System, Legal Migration and Integration of non-EU Nationals and Return, to cover those areas that have so far been funded by the European Refugee Fund, the European Integration Fund and the European Return Fund.

However, it seems that the AMIF provides for the funding of integration measures only for persons who have a permanent residence permit, but not for those who are temporarily resident.

1. Is there a clear list of residence permits giving eligibility for funding?
2. Is there no longer any provision for persons granted a stay of deportation or issued with temporary residence permits?
3. What support measures does the Commission envisage for persons who have repeatedly been granted a stay of deportation so as to integrate them in society as a whole?
