

**Question for written answer P-008679/2015
to the Commission**
Rule 130
Liadh Ní Riada (GUE/NGL)

Subject: SEUPB and the Irish Language

Regarding Question P-004016/2015, could the Commission answer the following questions:

The Commission's answer stated "that potential actions around 'language' were specifically mentioned on pages 21 and 23". Reference is made to the public consultation from 3 June to 29 July, however pages 21 and 23 do not contain anything on language. In which document is reference made to the Irish Language or to 'language'?

Other than in the appendix, why is there no mention in the summary published by SEUPB in July 2013 of the Irish Language or of issues raised by the Irish-speaking community?

How did SEUPB compile the first summary i.e. what methodology was used?
