

**Question for written answer P-008871/2015
to the Commission**
Rule 130
Paul Nuttall (EFDD)

Subject: Risk Assessment Committee - formaldehyde

Could the Commission please provide details of the December 2012 Risk Assessment Committee conclusions which re-classified the dangerousness or otherwise of formaldehyde to humans? Could the Commission also provide details of to what extent, if any, this will impact upon any directives in the area of public protection from toxic and hazardous materials?
