to the Commission**  
Rule 130  
**Beatrix von Storch (ECR)**

Subject: Danish opt-out and Europol

If Denmark continues to opt-out of the EU's justice and home affairs matters, it will eventually be out of Europol as well.

What approach would be the Commission take in the event of a Schengen Member State not being in Europol?

How would such a scenario be handled?

Please elaborate on the subject.
