

Question for written answer P-001131/2016
to the Council
Rule 130
Beatrix von Storch (ECR)

Subject: European deposit insurance scheme

Is Article 114 TFEU, which the Commission has selected for this purpose, a proper legal basis for its proposal on a European deposit insurance scheme (EDIS) (2015/0270(COD))?

Would Article 115 TFEU not be a more suitable legal basis for this regulation?
