

Question for written answer P-002380/2016
to the Commission
Rule 130
Beatrix von Storch (ECR)

Subject: EU budget allocation for, and Commission staff assigned to, gender mainstreaming

Can the Commission provide the total yearly amount in euros (one figure) allocated to all measures on gender mainstreaming, gender equality, the fight against gender-based discrimination and in the policy area of violence against women (including details of the activities of the relevant agencies)?

Can the Commission give the number and grade of all EU officials and other servants within its directorates-general and subsidiary agencies working full- or part-time on the development, implementation, monitoring and assessment of policy measures on gender mainstreaming, gender equality, the fight against gender-based discrimination and in the policy area of violence against women, and calculate the related annual staffing costs in euros?
