to the Commission**
Rule 130
Eleni Theodorou (ECR)

Subject: Upgrading the Customs Union with Turkey

The EU wishes to upgrade the Customs Union with Turkey on the basis of a proposal made by the Commission.

How is this possible, given that Turkey has not fulfilled any of its obligations under the existing Customs Union and at the same time refuses to recognise the Republic of Cyprus, while violating the EU legal order by occupying 37% of the island?
