Rule 138
Cristian Ghinea

Regulation (EU) No 1303/2013 provides in recital (22) of its preamble and Article 22(2) that: ‘The Commission should undertake a performance review based on a performance framework and in cooperation with the Member States in order to ensure that the budget of the Union is not used in a wasteful or inefficient way, where there is evidence that a priority has seriously failed to achieve the milestones.

The Commission shall within two months of the receipt of the respective annual implementation reports in the year 2019 adopt a decision, by means of implementing acts, to determine for each ESI Fund and Member State, the programmes and priorities which have achieved their milestones.’
