Kazakhstan

**Joint motion for a resolution**

**Recital F**

*Joint motion for a resolution*

F. whereas the picture of what actually happened in Zhanaozen on 16 December 2011 remains hazy; whereas communication links were initially cut by the authorities and access to the city then remained controlled under a state of emergency which lasted until 31 January 2012; whereas intimidation and violent attacks against independent media, together with a climate of fear among the citizens, keep hindering the emergence of greater clarity;

*Amendment*

F. whereas the picture of what actually happened in Zhanaozen on 16 December 2011 remains hazy; whereas communication links were initially cut by the authorities and access to the city then remained controlled under a state of emergency which lasted until 31 January 2012; whereas intimidation and violent attacks against independent media, together with a climate of fear among the citizens, keep hindering the emergence of greater clarity; ***whereas, in response to the events in Zhanaozen, in December 2011 the Kazakhstani authorities increased internet censorship in the country and are now deploying deep-packet inspection of all internet traffic;***
