Amendment 4

José Bové

on behalf of the Verts/ALE Group

Joint motion for a resolution

PPE, S&D, ALDE, ECR

Trade negotiations between the EU and Mercosur

Joint motion for a resolution

Paragraph 3 a (new)

Joint motion for a resolution

Amendment

3a. Expresses its worries about the general trend towards reverting to exporting of primary goods from Latin America to the EU, which is also taking place in Mercosur, as a consequence of increasing international demand for raw materials for industrial production, food and feed and energy, which is leading to numerous social conflicts; is convinced that any new agreement between the EU and Mercosur must effectively stop and reverse the current trend to increase Mercosur agricultural exports in exchange for rising EU exports of machinery and services, and that it must produce tangible welfare gains for all partners, respect the policy coherence principle enshrined in the treaties, and comply with international environmental objectives and climate imperatives; ;
