ANNEX TO THE LEGISLATIVE RESOLUTION

Statement by the European Parliament

The European Parliament stresses that the EU institutions should endeavour to use appropriate and neutral terminology in legislative texts when addressing the issue of third-country nationals whose presence on the territory of the Member States has not been authorised by the Member States' authorities or is no longer authorised. In such cases, EU institutions should avoid using the word "illegal" when it is possible to find alternative wording, and in all cases, when referring to persons, "irregular migrants" should be used.
