In the context of the ongoing legislative procedure on information to patients on prescription medicines (COM(2008)0662-0663), the ENVI Committee, in cooperation with the IMCO Committee, is organising a workshop. The workshop aims at providing MEPs with a comprehensive and balanced overview on the issues and interests at stake.

The workshop is hosted by the rapporteur, Christofer Fjellner. The event is organised by the Policy Department A-Economy & Science of DG IPOL, with resources from the ENVI Committee expertise budget; and it is open to the public.
