• 2<sup>nd</sup> Community action programme in the field of health **2008-2013**

**EUR 321,5 million**

• 3<sup>rd</sup> Union action programme in the field of health **2014-2020**

**EUR 449,4 million**

# Evaluating the 2<sup>nd</sup> Health Programme

**Legal obligation** (Art. Article 13 (3)(c) of Dec. No 1350/2007/EC )

**Mid-term evaluation (2011-2012)** ✓

For the reports of evaluations and audits see at [http://ec.europa.eu/health/programme/policy/index\\_en.htm](http://ec.europa.eu/health/programme/policy/index_en.htm)

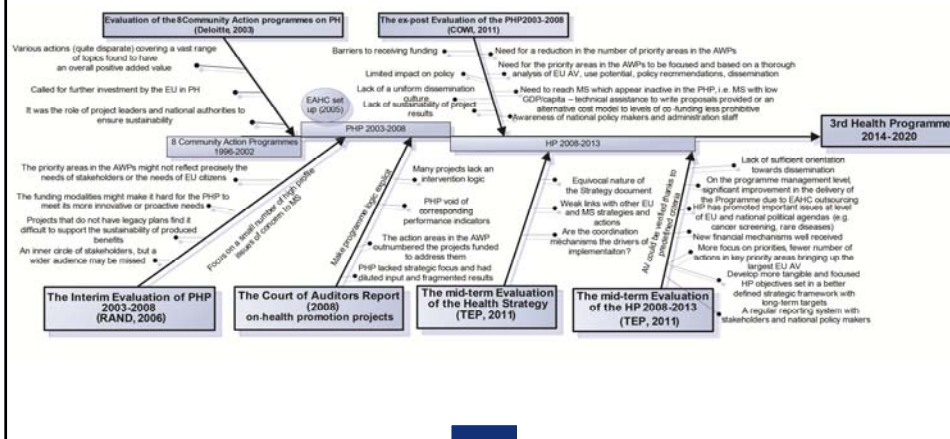

**Ex-post evaluation to be conducted in 2014**

## The timeframe

# The scope of the ex-post evaluation

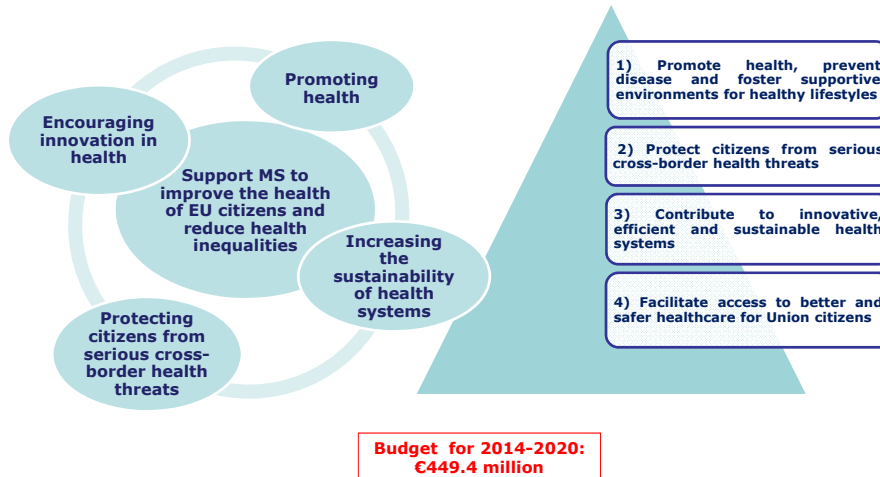

to assess the Programme as a whole building upon earlier evaluation work

## 3<sup>rd</sup> Health Programme 2014-2020: scope and objectives

### 1) Promoting health, preventing diseases and fostering supportive environments for healthy lifestyles

- Cost-effective promotion and prevention measures for addressing **tobacco, alcohol, unhealthy dietary habits, physical inactivity**
- **Chronic diseases** including **cancer**; good practices for prevention, early detection and management, including self-management
- **HIV/AIDS, TB and hepatitis; up-take of good practices for cost-effective prevention, diagnosis, treatment and care**
- **Legislation on tobacco products** advertisement and marketing
- **Health information** and knowledge system

## 2) Protecting citizens from serious cross-border health threats

- **Legislation** in the fields of communicable diseases and other health threats (**Health Security Initiative**)
- Improve **risk assessment** by providing additional capacities for **scientific expertise and map existing assessments**
- Support **capacity building**, cooperation with neighbouring countries, preparedness planning, non-binding approaches on vaccination, joint procurement

## 3) Contributing to innovative, efficient and sustainable health systems

- **Health Technology Assessment**
- **Up-take of health innovation and e-health solutions**
- **Health workforce** forecasting and planning (number, scope of practice, skills), mobility/migration of health professionals
- Mechanism for **pooled expertise and good practices** assisting Member States in their health systems reforms
- Health in an ageing society, including European Innovation Partnership on **Active and Healthy Ageing**
- **Legislation** in the field of **medical devices, medicinal products** and **cross-border healthcare**
- **Health information** and knowledge system including **Scientific Committees**

#### 4) Facilitating access to better and safer healthcare for EU citizens

- **European Reference Networks** (on the basis of criteria to be set under Directive 2011/24/EU)
- **Rare diseases** (networks, databases and registries)
- **Patient safety and quality of healthcare** including the prevention and control of **healthcare-associated infections**
- **Antimicrobial resistance**
- **Legislation** in the field of **tissues and cells, blood, organs, medical devices, medicinal products, and patients' rights in cross-border healthcare**
- **Health information** and knowledge system

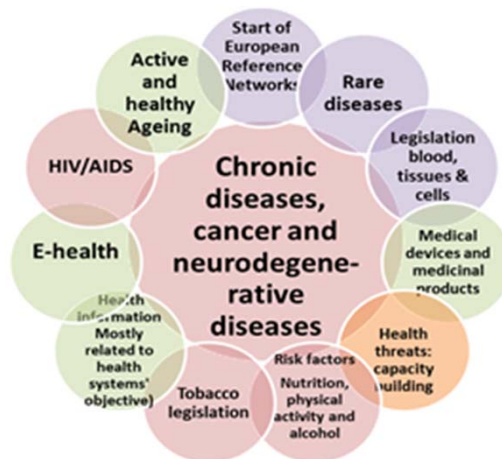

#### New Annex II – Criteria for establishing annual work programmes

- Policy Relevance
- EU added value
- Public health relevance
- Support to implementation of legislation
- Pertinence of geographical coverage
- Balanced distribution of resources between objectives
- Adequate coverage of thematic priorities

## Focus on thematic priorities Example: Risk Factors and Chronic Diseases

## Annual work programme

- Consultation of Member States (via Programme Committee) and Parliament
- Consideration of suggestions by stakeholders
- EP involvement as well as through
  - Annual implementation reports
  - Mid-term review (June 2017)
  - Ex-post Programme evaluations
  - Parliamentary questions

*Thank you!*
