

*Clingendael International Energy Programme***CIEP****Staff****Coby van der Linde****Head CIEP**

Coby van der Linde is the director of the Clingendael International Energy Programme since September 2001. She was a senior researcher at Clingendael from 1998 onwards, on secondment from Leiden University. Her career before joining CIEP was predominantly an academic one at the Universities of Leiden and Amsterdam, where her research focussed on international energy markets. In the 1990s, she was a visiting scholar at the Oxford Institute for Energy Studies (OIES, Oxford UK), at the Energy and Environment Programme of the Royal Institute for International Affairs (Chatham House, London, UK) and the Colorado School of Mines (Golden, CO., US). In 2004 she was appointed to the Chair of Geopolitics and Energy Management (part-time) at the University of Groningen. She is also a member of the Dutch Energy Council (Energieraad).

Her main focus in research is on international oil and gas markets, international energy policy-making, international energy co-operation, EU energy policies, OPEC, Russia, Caspian Sea region, Middle East, economics of energy producing countries, geopolitics and geo-economics of energy relations.

Projects

European energy markets, Security of Supply, Russia, Asian energy markets, Geopolitics of energy relations, Training in energy issues.

Education

BA degree in Political Science (University of Amsterdam, 1979) MA degree in International Relations and Public Law (University of Amsterdam, 1984) doctorate in Economics (University of Amsterdam, 1991).

Languages
