Citation 17 b (new)

Motion for a resolution

Amendment

– having regard to the Platform for Cooperation between the EU and the Black Sea Economic Cooperation organization (BSEC),

Amendment 5
Andreas Mölzer

Motion for a resolution
Recital A

Motion for a resolution

Amendment

A. whereas the Black Sea region lies at the junction of Europe, Central Asia and the Middle East, characterised by close ties and great potential, but also diversities and rivalries; whereas the region comprises EU Member States Bulgaria, Greece and Romania, **the** candidate **country** Turkey and ENP partners Armenia, Azerbaijan, Georgia, the Republic of Moldova and Ukraine, as well as the Russian Federation as strategic partner,

A. whereas the Black Sea region lies at the junction of Europe, Central Asia and the Middle East, characterised by close ties and great potential, but also diversities, **particularly of a cultural nature**, and rivalries, **which have sometimes grown historically**; whereas the region comprises EU Member States Bulgaria, Greece and Romania, Turkey, **an official** candidate for accession, and ENP partners Armenia, Azerbaijan, Georgia, the Republic of Moldova and Ukraine, as well as the Russian Federation as strategic partner,

Amendment 6
Evgeni Kirilov

Motion for a resolution
Recital A

Motion for a resolution

A. whereas the Black Sea region ***lies at the junction of Europe***, Central Asia and the Middle East, characterised by close ties and great potential, but also diversities and rivalries; whereas the region comprises EU Member States Bulgaria, Greece and Romania, the candidate country Turkey and ENP partners Armenia, Azerbaijan, Georgia, the Republic of Moldova and Ukraine, as well as the Russian Federation as strategic partner,

Amendment

A. whereas the Black Sea region ***is a strategic bridge connecting Europe with the Caspian Sea area***, Central Asia and the Middle East ***and further with the region of Southeast Asia and China***; ***it is*** characterised by close ties and great potential, but also diversities and rivalries; whereas the region comprises EU Member States Bulgaria, Greece and Romania, the candidate country Turkey and ENP partners Armenia, Azerbaijan, Georgia, the Republic of Moldova and Ukraine, as well as the Russian Federation as strategic partner,

Or. en

Amendment 7
Maria Eleni Koppa

Motion for a resolution
Recital B

Motion for a resolution

B. whereas the Black Sea region is of strategic importance for the EU; whereas the Black Sea is partially internal to the EU, which results in shared challenges and opportunities for the EU and the countries of the region, as well as in a common need to ensure there is an area of peace, stability and sustainable prosperity around the Black Sea,

Amendment

B. whereas the Black Sea region is of strategic importance for the EU; whereas the Black Sea is partially internal to the EU, which results in shared challenges and opportunities for the EU and the countries of the region, as well as in a common need to ensure there is an area of peace, stability and sustainable prosperity around the Black Sea; ***whereas a more cohesive, sustainable and strategic approach is necessary in the Black Sea region***,

Or. el

Amendment 8

Ivo Vajgl

Motion for a resolution

Recital B

Motion for a resolution

B. whereas the Black Sea region is of strategic importance for the EU; whereas the Black Sea is partially internal to the EU, which results in shared challenges and opportunities for the EU and the countries of the region, as well as in a common need to ensure there is an area of peace, stability and sustainable prosperity around the Black Sea,

Amendment

B. whereas the Black Sea region is of strategic importance for the EU; whereas the Black Sea is partially internal to the EU, which results in shared challenges and opportunities for the EU and the countries of the region, as well as in a common need to ensure there is an area of peace, stability, ***regional cooperation*** and sustainable prosperity around the Black Sea,

Or. en

Amendment 9

Andreas Mölzer

Motion for a resolution

Recital B

Motion for a resolution

B. whereas the Black Sea region is of strategic importance for the EU; whereas the Black Sea is partially internal to the EU, which results in shared challenges and opportunities for the EU and the countries of the region, as well as in a common need to ensure there is an area of peace, stability and sustainable prosperity around the Black Sea,

Amendment

B. whereas the Black Sea region is of strategic importance for the EU; whereas the Black Sea is partially internal to the EU, which results in shared challenges and opportunities for the EU and the countries of the region, as well as in a common need to ensure there is an area of peace, ***democracy, security***, stability and sustainable prosperity around the Black Sea,

Or. de

Amendment 10
Evgeni Kirilov

Motion for a resolution
Recital B

Motion for a resolution

B. whereas the Black Sea region is of strategic importance for the EU; whereas the Black Sea is partially internal to the EU, which results in shared challenges and opportunities for the EU and the countries of the region, as well as in a common need to ensure there is an area of peace, stability and sustainable prosperity around the Black Sea,

Amendment

B. whereas the Black Sea region is of strategic importance for the EU; whereas the Black Sea is partially internal to the EU ***and geographically mostly a European sea***, which results in shared challenges and opportunities for the EU and the countries of the region, as well as in a common need to ensure there is an area of peace, stability and sustainable prosperity around the Black Sea,

Or. en

Amendment 11
Ivo Vajgl

Motion for a resolution
Recital B a (new)

Motion for a resolution

Ba. whereas the Black Sea Region is a socially, culturally and religiously rich environment where intercultural and interreligious dialogue should take a central role,

Amendment

Or. en

Amendment 12
Ryszard Antoni Legutko

Motion for a resolution
Recital B a (new)

Motion for a resolution

Ba. whereas the French Presidency's

Amendment

mission, together with action by the Member States, demonstrated the EU's commitment to containing and resolving the conflict in Georgia; whereas, however, owing to Russia's failure to comply with the six-point Sarkozy Plan, the EU's efforts to date have proved inadequate,

Or. pl

Amendment 13
Andreas Mölzer

Motion for a resolution
Recital C

Motion for a resolution

C. whereas the Black Sea Synergy (BSS) has ***had the merit of recognising*** the Black Sea region as strategic for the EU, together with the need for strengthened EU involvement in the area; whereas BSS results have so far been rather limited and no clear and comprehensive picture exists on the current implementation results of the BSS, exposing the EU to criticism that it lacks a strategic vision of the region and that it is applying a fragmented approach to implementation,

Amendment

C. whereas ***one aspect of the*** Black Sea Synergy (BSS) has ***been the recognition of*** the Black Sea region as strategic for the EU, together with the need for strengthened EU involvement in the area; whereas BSS results have so far been rather limited and no clear and comprehensive picture exists on the current implementation results of the BSS, exposing the EU to criticism that it lacks a strategic vision of the region and that it is applying a fragmented approach to implementation,

Or. de

Amendment 26
Ioan Mircea Pașcu

Motion for a resolution
Paragraph 1

Motion for a resolution

Amendment

1. Considers that, given the strategic importance of the Black Sea region for the EU and the limited results of the BSS, a strategy should be launched to ***bring*** coherence and visibility ***to*** EU action in the region;

1. Considers that, given the strategic importance of the Black Sea region for the EU and the ***rather*** limited results of the BSS, a strategy should be launched to ***enhance the*** coherence and visibility ***of*** EU action in the region ***and that the EU Black Sea Strategy should be an integral part of the broader EU foreign and security policy vision;***

Amendment 27
Ryszard Antoni Legutko

Motion for a resolution
Paragraph 1

Motion for a resolution

1. Considers that, given the strategic importance of the Black Sea region for the EU and the limited results of the BSS, a strategy should be launched to bring coherence and **visibility** to EU action in the region;

Amendment

1. Considers that, given the strategic importance of the Black Sea region for the EU and the limited results of the BSS, a strategy should be launched to **complement and** bring coherence and **a practical dimension** to **other** EU action in the region **without hampering the prospects of individual countries in the region for moving closer to EU membership**;

Or. pl

Amendment 28
Justas Vincas Paleckis

Motion for a resolution
Paragraph 1 a (new)

Motion for a resolution

1a. Is convinced that the EU should play a greater role in the Black Sea region by offering the countries in the region more prospects for closer integration with the EU; stresses that opportunities for trade liberalisation and the creation of Free Trade Area in accordance with WTO principles should be carefully considered, thoroughly examined and promoted;

Or. en

Amendment 29
Adrian Severin

Motion for a resolution
Paragraph 2

Motion for a resolution

2. Calls on the Commission to elaborate a strategy for the Black Sea region, thus defining an integrated EU approach *to* the region, with a detailed action plan, clear objectives, flagship initiatives and benchmarks; believes that the strategy should ensure coordination of activities and division of labour;

Amendment

2. Calls on the Commission to elaborate a strategy for the Black Sea region, thus defining an integrated EU approach *in view of creating a common future for* the region, with a detailed action plan, clear objectives, flagship initiatives and benchmarks; believes that the strategy should *be eventually served by a specific political structure, such as a Union for the Black Sea, and should* ensure coordination of activities and division of labour;

Motion for a resolution

17. Recalls *the EU's aim of diversifying routes and sources of supply; reiterates the importance of the Nabucco project and of Liquefied Natural Gas (LNG) transportation to Europe, in the form of the AGRI project and the development of LNG terminals in Black Sea ports; recalls the need for a common normative framework for promoting a transparent, competitive and rules-based gas market;*

Amendment

17. Recalls *the major importance of energy security, stressing the need for a genuinely equal relationship and cooperation between countries in this area based on the fair distribution of energy sources; reiterate the major importance of ensuring the sovereign rights of nations in the field of energy; recalls the need for secure access to sufficient energy supplies as a basic right for all which is guaranteed in the form of a public service;*

Amendment 122

Ioan Mircea Pașcu

Motion for a resolution

Paragraph 18 a (new)

Motion for a resolution

Amendment

18a. Stresses the need for a better

management of migration in and from the Black Sea region by reinforcing the political, economical and social integration of immigrants, based on the principles of the EU's Global Approach to Migration;

Or. en

Amendment 123
Cristian Dan Preda

Motion for a resolution
Paragraph 18 a (new)

Motion for a resolution

Amendment

18a. Further believes that programmes promoting intercultural and interfaith dialogue need a sustained encouragement in order to promote cooperation in the region, that joint initiatives in the field of education and media are much needed in order to create and consolidate meaningful links between the people and the opinion leaders in the region and that initiatives such as the Black Sea Universities Network provide good examples of how academic interaction can trigger positive synergies in the region;

Or. en

Amendment 124
Cristian Dan Preda

Motion for a resolution
Paragraph 18 b (new)

Motion for a resolution

Amendment

18b. Emphasises the need for an equilibrium between economic development and environment protection, as well as the need for a common

approach to this challenge and, thus, stresses the need for a full implementation of the Convention on the Protection of the Black Sea Against Pollution;

Or. en

Amendment 125
Traian Ungureanu

Motion for a resolution
Paragraph 18 a (new)

Motion for a resolution

Amendment

18a. Welcomes the initiative to establish and support a College of the Black Sea to help the emergence of a regional elite that can see cooperation as a natural method of tackling common challenges;

Or. en

Amendment 126
Inese Vaidere

Motion for a resolution
Paragraph 18 a (new)

Motion for a resolution

Amendment

18a. Notes that the EU often acts as a political force which promotes security, wellbeing and growth in the Black Sea region and coordinates mutual relations and political developments among the States in the region, but that hitherto the EU's presence in the region has sometimes been uncoordinated and ineffective; calls on the EEAS and the Commission, therefore, without delay to start work on drawing up a united, coordinated and clearly defined EU strategy for the Black Sea;

Or. lv

Amendment 127
Inese Vaidere

Motion for a resolution
Paragraph 18 b (new)

Motion for a resolution

Amendment

18b. Stresses that the EU strategy for the Black Sea region must assign an important place to defending human rights and enhancing democracy throughout the region, which should include promoting successful mutual cooperation between its nongovernmental organisations and human rights defenders;

Or. lv

Amendment 128
Inese Vaidere

Motion for a resolution
Paragraph 18 c (new)

Motion for a resolution

Amendment

18c. Notes that increasing respect for human rights and democracy around the world is among the EU's priorities; recalls that human rights violations are to be observed on a daily basis in occupied South Ossetia and Abkhazia; calls on the EU, and particularly the EEAS, therefore, to respond actively to all kinds of human rights violations in the Black Sea region;

Or. lv

Amendment 129
Nirj Deva

Motion for a resolution
Paragraph 18 a (new)

Motion for a resolution

Amendment

18a. Stresses that further liberalisation of trade and intensification of intra-regional trade is essential to the economic development of the region; supports the EU's Integrated Maritime Policy aimed at the socio-economic development of maritime regions, but regrets that its Black Sea dimension is poorly developed; welcomes the results registered in cooperation on education, research and technology; further encourages the goal of promoting social development and a strong civil society;

Or. en

Amendment 130
Evgeni Kirilov

Motion for a resolution
Paragraph 18 a (new)

Motion for a resolution

Amendment

18a. Is of the view that a closer cooperation and policy coordination with existing regional organizations like the Black Sea Economic Cooperation Organization will allow a more coherent and value added approach to the region based on an upgrade and further development of already existing relations and initiatives; Considers as desirable the EU's support for ongoing projects like the Black Sea ring highway, the Pan-European Transport Corridors 8 and 9 and the development of the transport connections between the Black sea ports; recommends the elaboration and

realization of joint initiatives co-financed and supported by EIB, EBRD and the Black Sea Trade and Development Bank (BSTDB);

Or. en

Amendment 131
Evgeni Kirilov

Motion for a resolution
Paragraph 18 b (new)

Motion for a resolution

Amendment

18b. Underlines the importance of visa facilitation and people mobility in the region and urges the Commission to consider elaborating preferential visa schemes for business, academics, youth, local authorities and other groups with the view of enhancing the contacts within the whole region and in particular as far as confidence building is concerned; encourages the elaboration under EU aegis of joint projects related to the promotion of the cultural heritage and tourism in the region;

Or. en
