Dear Mr Lamassoure,

At its meeting on 14 November 2011, the Bureau authorised the Secretary-General to conclude the negotiations on the lease contracts for the building Science/Montoyer.

The Bureau also requested the President to refer the matter in due course to the Committee on Budgets in order to seek its opinion on the financial aspects of its decision in relation to Article 179(3) of the Financial Regulation.

In accordance with the Bureau decision of 14 November 2011 and Article 179 (3) of the Financial Regulation, I would be grateful if you would communicate to me the opinion of the Committee on Budgets on this building project at your earliest convenience.

Yours sincerely,
