Dear Ms Bizzotto

I hope this letter finds you well and that you have had a relaxing summer break. Following our cooperation on the Rugby World Cup 2011 event in the European Parliament last year, I wanted to ensure that you and your colleagues were aware that the All Blacks will be touring Europe later this year as part of the 2012 Air New Zealand European tour.

The details of the scheduled matches are:

11 November	All Blacks v Scotland	Edinburgh
17 November	All Blacks v Italy	Rome
24 November	All Blacks v Wales	Cardiff
1 December	All Blacks v England	London

For further information you can also refer to the All Black website for details; <http://www.allblacks.com/fixtures/> (please note dates and times on this website New Zealand local time).

I would be pleased if you could pass this information on to other keen rugby supporters – and those interested in this important cultural aspect of the EU-NZ relationship – in the Delegation for relations with Australia and New Zealand.

Yours sincerely

and my warm regard to the centre!
