2. DEVE work programme 2012: committee delegations

➤ Delegations outside the EU:

Decision/recommendation:

- DEVE will request authorisation to send in 2012 four delegations of four MEPs to the following destinations and with the following terms of reference:

Tentative date	Destination	Justification/Terms of Reference
<i>To be confirmed</i> (Administrator: tbc)	India	While India is home to about a third of the world's poor, it emerged as a big economy and is transiting to become a global donor. Against the background of the post-2013 Multiannual Financial Framework and the forthcoming negotiations on a new financing instrument for EU development cooperation, a delegation of DEVE to India could focus on the role of development aid in emerging countries regarding the alleviation of domestic poverty and the role played by emerging economies in funding international development. Other issues to be tackled within the ambit of such delegation are: EU-India negotiations on Free Trade Agreement, the Anti-Counterfeiting Trade Agreement (ACTA) and its effect on public health (generic medicines). Furthermore, against the background of the decision taken in Munich, (March 8, 2005) to revoke the Neem patent, this delegation could also examine the impact of biopiracy and patents of indigenous knowledge
<i>To be confirmed</i> (Administrator: tbc)	Bolivia	The purpose of this visit would be to examine the use of EU development money and to highlight its importance, given the recently-proposed cuts to the DCI in the field of cooperation with Latin America. Moreover, this would tie in with the conclusions of the DEVE INI report on EU-Latin America cooperation which is likely to be adopted in the early part of next year.
(21 - 26 April) (Administrator: tbc)	UNCTAD Conference in Qatar	In the light of the upcoming Commission communication and DEVE's INI report on 'The role of EU trade policy in support for development.' Conference theme: Development-centred globalization: Towards inclusive

<i>tor: tbc)</i>		<p>and sustainable growth and development</p> <p>It is hoped that it will be possible to cooperate with INTA for this delegation, with exact modalities to determine.</p>
<i>To be confirmed (Administrator: tbc)</i>	Pacific (including Vanuatu and, if feasible, a nearby country)	<p>Pacific ACP countries and Overseas Countries and Territories are home to 10 million people. These territories face unique structural constraints due to their combined remoteness, isolation, smallness and vulnerability to natural hazards. These constraints make development assistance particularly important for the Pacific. At the moment the region faces a new dramatic development, which will exacerbate the above mentioned challenges: climate change. In order to support the region in ensuring both development and climate adaptation objectives, additional and combined development and climate funds to the region are needed.</p> <p>The EU has a long-standing development partnership with 15 ACP countries and 4 OCTs in the Pacific. OCTs offer a great potential for becoming outposts of the EU in the Pacific, to promote EU values, to support EU action and to become driving forces of development in the Pacific.</p> <p>A DEVE delegation to the Pacific in 2012 would have a number of positive outcomes:</p> <ul style="list-style-type: none"> - Show a strong EP - and EU - commitment to the development of the region, notably in light of the small number of EU Member States present in the region, which makes it an ideal model for EU joint programming and pooling of EU development and climate funds; - Have a better understanding of the main development and climate challenges the region is facing. Lessons learnt from this delegation might be extremely useful for the EP's participation in the forthcoming UN Conference on Climate Change (Rio +20) that will take place in Rio in June 2012; - A DEVE delegation to this region might further explore ways and means for cooperation between OCTs and the Pacific States as suggested in the Special Report drafted by Special Rapporteur Pedro Solbes on Outermost Regions and the Internal Market, to be presented on 12 October 2011; - A DEVE delegation to this region will provide input to the DEVE hearing on "Transforming OCTs in an engine for EU's development policy" foreseen in the DEVE work programme for 2012.

➤ **Delegations inside the EU**

Decision/recommendation:

- DEVE will request authorisation to send in 2012 the following delegations to the following destinations:

Tentative date	Destination	DEVE MEPs	Justification/Terms of Reference
(2nd half of the year) European Development Days <i>(Administrator: tbc)</i>	Cyprus	4	European Development Days
15-20 October <i>(Administrator: tbc)</i>	Rome (FAO Committee on World Food Security)	3	We should consider sending a 3 or 4 MEP committee delegation to one of the FAO meetings taking place next year. Our recent resolutions on the situation in the Horn of Africa and Food security requested that the EU pay more attention to investment in agriculture and agricultural development. Attending one of these meetings would be an ideal way to present our proposals first hand and increase EU co-

			operation with the FAO.
<i>To be confirmed</i> (Administrator: Head of DEVE secretariat)	Informal meetings of Development Ministers (one held under each presidency)	2 delegations of 1 Member each	The right of DEVE to be represented at informal meetings of Development Ministers is now well established and it is important that there be no interruption in this practice in 2012.

3. DEVE work programme 2011: possible additional committee delegation

Context:

DEVE 4th Vice-President Cretu suggests using DEVE's unused quota for 2011 for delegations outside the EU to allow one or more DEVE MEPs to join the AFET and DROI committee delegations to the UN General Assembly in New York on 28 and 29 November.

Mr. Alexander Graf Lambsdorff, the AFET delegation chair, has confirmed that he would welcome a DEVE participation in the AFET and DROI delegation, on condition that the DEVE component would be drawn from the DEVE quota for delegations outside the EU.

Decision/recommendation:

- The following unused 2011 DEVE quota for delegations outside the EU is available:
 - from delegation to Pakistan: 1 Greens place;
 - from delegation to South Sudan: 2 EPP places
- The unused delegation places for other delegations should be allocated to the groups who were entitled to them, according to the continuous D'Hondt system for DEVE, in the delegations for which these places were destined (with the possibility for political groups, if they wish so, to put them at the disposal of other groups);
- Request authorisation to send an additional 3 MEP committee delegation to the UN General Assembly in New York on 28 and 29 November

Administrator: Moura

4. EP work programme 2012: Draft Programme of Activities for EP Standing Delegations

Decision/recommendation:

- Issue a positive opinion to the proposed activities for the geographical regions in the remit of DEVE, but point out that EP parliamentary committees should have precedence over delegations for scheduling committee activities during committee weeks, and that DEVE trusts that the JPA delegation will take this into account when scheduling its activities for 2013.

Administrator: McLauchlan

5. Proposals for joint initiatives with other parliamentary bodies

- ***Follow up to the DEVE hearing on "Food security in developing countries: the challenge to feed the people" - possible joint DEVE-AGRI meeting on the CAP reform and its impact on developing countries"***

Decision/recommendation:

- Suggest to AGRI to organise a joint meeting with Commissioner Ciolos at the earliest convenience, in order to discuss in more detail the Commission proposal on the CAP reform expected to be adopted by the Commission on 12 October 2011.

Administrator: Lerch

- ***Joint DEVE-DROI-ENVI exchange of views with Michel Sidibé on EU Global Response to HIV/AIDS***

Decision/recommendation:

- Check with ENVI and/or DROI whether the proposed exchange of views would fit in their work programmes for 2012; should one of these committees be interested in including the suggested exchange of views in their work programme, propose to organise it jointly.

Administrator: Pérez Navas

6. Possible question for oral answer with debate in the Plenary on the role of civil society organisations in the "Arab Spring" (suggested by ECR)

Decision/recommendation:

- Advise the ECR group to propose that the political groups take the initiative for this question for oral answer with debate in the Plenary.

7. Request for a presentation/exchange of views in a DEVE meeting (25th anniversary of the United Nations Declaration on the Right to Development on 4 December 2011)

Decision/recommendation:

- The DEVE committee meetings of 5 and 8 December are the last of the current year, with a relatively full agenda;
- Secretariat to check with DROI whether it would be possible to organise the requested short joint exchange of views.

Administrator: Liverini

8. Annual exchange of views between High Representative/Commission Vice-President Ashton and DEVE

Decision/recommendation:

- Coordinators agree to an informal meeting between HR/VP Ashton and the Bureau and the coordinators;

- The second exchange of views of the DEVE committee with HR/VP Ashton will be held on 29 February 2012;
- Future annual exchanges of views will be organised during the first half of the year.

9. Debriefing by Commissioner Piebalgs on the Foreign Affairs (Development) Council of 14 November 2011

Decision/recommendation:

- An informal debriefing by Commissioner Piebalgs on the Foreign Affairs (Development) Council of 14 November 2011 will be organised for the coordinators (breakfast meeting in Strasbourg on Wednesday 16 November between 8 and 9 am).
Administrator: Van Hecken

10. Invitation by Commissioner Piebalgs for DEVE MEPs to accompany him on certain missions

Context:

Commissioner Piebalgs would like to know whether there is interest from DEVE Members to accompany him on certain delegations to partner countries (one or two MEPs could travel with the Commissioner on certain missions, and participate in his programme). The Commission can not cover the travel costs or daily allowances of Members.

Decision/recommendation:

- The DEVE Chair will reply to the Commissioner (letter to be agreed by written procedure), thanking him for the offer but stressing that - given the separation of powers and the independence of each institution - DEVE will request the Commissioner to send a list of upcoming travel for which he would like to invite MEPs, and will decide on a case-by-case basis whether to attach one or more MEPs to the Commissioner's delegation. The Commissioner will be informed that the decision on which MEP(s) will be attached to the delegation and with what mandate must be taken by the DEVE committee (through the coordinators).
Administrators: McLauchlan, Van Hecken
