### C.1. Systematic invitations to Council presidencies to attend ENVI meetings for exchanges of views on legislative items

#### Decision

##### The coordinators

- noted that Rule 54(1), Rule 58(2), Rule 63(2), 66(5) [which according to Rule 196 applies also to committees] and Rule 193(2) as well as Article 26 of the Council's Rules of Procedure afforded the possibility of giving the floor to Council representatives during exchanges of views in committee;
- agreed in principle that Council representatives (notably chairs of Council working groups) should be encouraged to attend committee meetings and to take the floor there in order to report on the state of play of legislative files in Council;
- agreed that such invitations to speak should be made on a case-by-case basis where the expected added value, based on the assessment of the rapporteur, would justify this exercise;
- noted that further evidence from the IMCO committee on their (systematic) practice would be obtained.

### C.2. ENVI position on the steering group of the pilot European innovation partnership on active and healthy ageing

The papers for the meeting included:

- a letter of 4 April 2011 from President Barroso to EP President Buzek on healthy ageing
- as well as a guidance paper for the Steering group of the pilot European innovation partnership on active and healthy ageing
- a letter of 10 May 2011 from Ms Berès, Chair of the Committee on Employment and Social Affairs, to President Buzek on nomination of EP Members to the Steering Group of the European Innovation Partnership on Active and Health Ageing

#### Decision

##### The coordinators

- held an exchange of views;
- agreed that this was a matter of institutional relevance and that there were no compelling grounds for inviting the Conference of Presidents to reconsider its decisional practice;

- also agreed that should the Conference of Presidents nevertheless decide to appoint MEPs to sit on that Steering Group the Environment Committee would expect that EP representatives should be drawn from among its members;
- decided that the formal position of the coordinators should be explained down in a letter from the chairman to the President and that groups would be given an opportunity to make comments on the draft within a short deadline.

[Note: The Conference of Presidents will take its decision on 1 June 2011.]

### **C.3 For information - possible participation of CONT Members in ENVI delegation to the EMA on 29-30 June 2011**

The papers for the meeting included letter of 26 April 2011 from Mr de Magistris, chair of Committee on Budgetary Control, to Mr Leinen.

#### **Decision**

The Coordinators noted that the Conference of Presidents had authorised the CONT request to be allowed to send two of its members to join the ENVI delegation to the EMA in London on 29-30 June 2011.

The coordinators invited the chairman to write again to the President of the Parliament to reiterate that several ENVI Members, including rapporteurs, had a legitimate interest in obtaining an authorisation to join the delegation on the basis of the Additional Expenses Allowance (Article 22 of the Implementing measures for the Statute for Members of the European Parliament).

### **C.4. The case of Mr Holoman, substitute Member of the EMA Management Board**

The papers for meeting included a letter of 24 April 2011 from Mr Leinen to Mr Holoman.

#### **Decision**

The coordinators instructed the Chairman to send a reminder to Mr Holoman, setting a final deadline for a reply and indicating that if no reaction were to be received by that deadline, the Conference of Presidents would be asked to withdraw Mr Holoman's mandate as a substitute Member of the EMA Management Board.

### **C.5. Delegation to European Environment Agency (EEA 1-2 Sept 2011)**

#### **Background:**

#### **Decision**

The coordinators agreed that the delegation would be composed of:

- Mr. Gerbrandy (ALDE), who is the contact person for relations with EEA
- one EPP Member
- one S&D Member

and invited the groups concerned to nominate one Member each.

### **C.6. Draft motion for a resolution submitted by Mr Hartong - letter from President Buzek**

The papers for the meeting contained

- a letter from Mr Hartong to President Buzek
- a letter from President Buzek to Mr Hartong
- a letter from President Buzek to Mr Leinen

#### **Decision**

#### **Coordinators**

(i) took note of the President's position and

(ii) confirmed their decision not to pursue any of the options indicated in Rule 120 in relation to Mr Hartong's draft motion for a resolution on climate change.

### **C.7. Oral question on Doixin in fish products in Sweden**

#### **Decision**

The coordinators decided to include an oral question on "Dioxin in fish products in Sweden" in the agenda of a future committee meeting (Rule 197).

### **C.8. Oral question on HIV in ENVI pursuant to Rule 197**

#### **Decision**

The coordinators decided to include an oral question on HIV in the agenda of a future committee meeting (Rule 197).

**C.9. Endocrine disruptors and cocktail effects - proposal for an item for a committee meeting**

**Decision**

The co-ordinators decided to put an item on "endocrine disruptors and cocktail effects" on the agenda of one of the next ENVI Committee meetings.

**C.10. Report on the Fruit Juice Directive - legal question relating to the adopted consolidated amendments**

**Decision**

The coordinators held an exchange of views and agreed that the rapporteur and the shadow rapporteurs should consider the issue raised by Mr Schlyter, possibly by obtaining oral explanations from representatives of the Legal Service.

**C.11. Gerbrandy report on "Resource-efficient Europe"**

**Decision**

The coordinators

- noted that the report had been authorised with a view to assessing the "Roadmap to a resource-efficient Europe" which was to be adopted later this year and
- agreed that no further separate report on the roadmap should be drawn up.
