**Amendment 1**  
**Isabelle Thomas**

**Draft opinion**  
**Section 1 – paragraph 4**

*Draft opinion*

4. Calls for total commitment appropriations to be maintained at the levels of the 2012 budget in order to preserve the sustainability of projects in the sector launched by the Commission and, at the same time, to control spending in the context of budgetary *austerity*;

*Amendment*

4. Calls for total commitment appropriations to be maintained at the levels of the 2012 budget in order to preserve the sustainability of projects in the sector launched by the Commission and, at the same time, to control spending in the context of budgetary *consolidation*; ***takes the view that even if the freezing of commitment appropriations can be presented by the Commission and Member States as a partial solution to the problem of the increase in outstanding commitments, it cannot be considered an acceptable strategy for keeping the level of outstanding commitments under control***;

**Amendment 2**  
**Isabelle Thomas**

**Draft opinion**  
**Section 1 – paragraph 7**

*Draft opinion*

7. Deplores the cut of more than 10% in the appropriations for the chapter on fisheries markets (11 02) and *notes* that this cut is motivated by the implementation ***rate of the 2011 budget and the current economic context***;

*Amendment*

7. Deplores the cut of more than 10% in the appropriations for the chapter on fisheries markets (11 02) and ***is concerned at the fact*** that this cut is motivated by ***the current economic problems***; ***stresses that the 2011 implementation rates can be linked to co-financing difficulties or to the fact that the eligibility criteria do not match the needs of professionals in***

*unpredictable markets at a given moment;*
