Paragraph 4

Draft opinion

4. Endorses the measures planned by the Commission for 2009 and beyond to ensure compliance by Member States with waste legislation in particular, and asks to be associated in the process in cases where petitions are pending, particularly those from Campania.

Amendment

4. Endorses the measures planned by the Commission for 2009 and beyond to ensure compliance by Member States with waste legislation and ***Community environmental legislation*** in particular, ***as in the case of the infringement procedure initiated against Spain and other Member States for breaches of the Water Framework Directive, and in particular on failure to comply with the decisions on the treatment of urban waste water***, and asks to be associated in the process in cases where petitions are pending, particularly those from Campania.
