Subject: Petition 0953/2011 by Andrzej Wójcik (Polish), on a request for legal assistance in connection with a case in Poland and better cooperation on civil matters in the EU

Dear Ms Mazzoni,

In your letter of 3 January 2012, you asked for the opinion of the Committee on Legal Affairs on the above petition.

After having examined the petition we have concluded that the petition does not concern a cross-border case but rather relates to alleged inefficiencies of the judicial system in civil matters in Poland. The subject-matter of the petition does therefore not fall under the competence of the European Parliament.

The petitioner could however be instructed to petition the Polish Parliament on the matter.

Yours sincerely,

Klaus-Heiner Lehne
