Dear Mr Rieseemann,

The Committee on Petitions has recently examined the above-mentioned petition.

The committee considered that it would be worthwhile for the questions raised in this petition to be examined by the local authorities concerned, and has therefore instructed me to transmit it to you for an opinion, requesting at the same time information on the calendar for dismantling.

Your opinion may be communicated in the form of a letter or any other form which you consider appropriate. The Petitions Committee would subsequently use this opinion either in the context of its future deliberations or for transmission to the petitioner in order to close the petition.

Please find enclosed a copy of the file.

Yours sincerely,
