

- **Petition 0463/2009 by Tomasz Brzdak (Polish) concerning the situation in Palestine**

The petitioner expresses concern at the situation of the civilian population in Palestine, protesting at the home demolition policy being followed by the Israeli authorities, maintaining that this constitutes a form of collective punishment of the entire population and calling for such actions to be brought to a halt.

Recommendations

- Declare admissible;
- forward for information to the Committee on Foreign Affairs;
- forward to the petitioner a copy of the resolution adopted on 15 January 2009 concerning the situation in Gaza
- consider with petitions 1451/2008 and 1764/2008 which concern home demolition on Palestinian territory and EU funding.
