### **International multi-team research projects**

Scientific Director Integrated Project QUING "Quality in gender+ equality policies", a consortium of 12 team leaders and 61 researchers. Main activities as Scientific Director were: Designing research project, writing research proposal, overall leadership, financial management, selection of partners and researchers for Radboud University Nijmegen, supervision of researchers, conflict resolution, organization of national and international conferences, annual reporting). (2006- 2011)

Research Director MAGEEQ "Policy Frames and Implementation Problems: the Case of Gender Mainstreaming", a consortium of 6 team leaders and 27 researchers. Main activities as Research Director were: Designing research project, writing research proposal, overall leadership, financial management, selection of partners and researchers for Radboud University Nijmegen, supervision of researchers, organization of national and international conference, annual reporting). (2003-2005).

### **Leadership in innovation**

Gender Impact Assessment (1994 - now): Dutch policymaking instrument. Imagined, funds acquired, designed and evaluated (with C. Roggeband). This Dutch GIA has been characterised as the best-developed gender analysis instrument (Bacchi 2003; Bacchi and Eveline 2005).

Gender mainstreaming (1996-now): As Chair of the Council of Europe Group of Specialists on Mainstreaming (1996-1998), right after the introduction of this strategy at the UN-conference in Beijing in 1995, I was responsible for the concluding report of this group that has been very influential in policy making and in academic research. See also Verloo 2005.

Critical Frame Analysis (2003 - now): imagined, funds acquired, designed and amended (with MAGEEQ and QUING team). Google Scholar #416 on combination "Critical Frame Analysis" + Verloo).
