Final act

[Regulation 2009/169](#)
[OJ L 061 05.03.2009, p. 0001](#) Summary

Competition: rules applying to transport by rail, road and inland waterway (repeal. Regulation (EEC) No 1017/68). Codification

PURPOSE: to codify provision on applying rules of competition to transport rail, road and inland waterways.

PROPOSED ACT: Regulation of the European Parliament and of the Council

CONTENT: the purpose of this proposal is to codify EU provisions set out in Regulation 1017/68/EEC applying rules of competition to transport by rail, road and inland waterways. In codifying legislative acts that have been amended frequently the EU is seeking to both simplify and clarify EU legislation.

The new Directive will supersede the various acts incorporated in it. It fully preserves the content of the acts being codified and hence does no more than bring them together, with only such formal amendments as are required by the codification exercise itself.

Competition: rules applying to transport by rail, road and inland waterway (repeal. Regulation (EEC) No 1017/68). Codification

The Committee on Legal Affairs adopted the report by Hans-Peter MAYER (EPPE-ED, DE) approving without amendment ? in the 1st reading of the co-decision procedure ? the proposal for a directive of the European Parliament and of the Council applying rules of competition to transport by rail, road and inland waterway (codified version).

Competition: rules applying to transport by rail, road and inland waterway (repeal. Regulation (EEC) No 1017/68). Codification

The European Parliament adopted the resolution drafted by Hans-Peter MAYER (EPP-ED, DE) and approved the proposal for a directive of the European Parliament and of the Council applying rules of competition to transport by rail, road and inland waterway (codified version).

Competition: rules applying to transport by rail, road and inland waterway (repeal. Regulation (EEC) No 1017/68). Codification

On 28 November 2006, the European Commission sent the Council a proposal for a Regulation of the European Parliament and of the Council applying rules of competition to transport by rail, road and inland waterway (codified version), based on Articles 71 (Transport policy) and 83 (Competition policy) of the TEC.

On 25 September 2007, the European Parliament delivered its 1st reading, approving the text with no amendments.

However, in its opinion of 26 June 2007, the Advisory Working Group composed of the Legal Services of the European Parliament, the Council and the Commission, having examined the proposal, recommended that it be based only on Article 83 of the TEC (necessitating the use of the consultation procedure), not Article 71 as well.

On 9 July 2008, Coreper confirmed that the proposal for a Regulation should be based only on Article 83 of the TEC and consequently decided to consult the European Parliament.

Competition: rules applying to transport by rail, road and inland waterway (repeal. Regulation (EEC) No 1017/68). Codification

PURPOSE: to codify Regulation 1017/68/EEC applying rules of competition to transport by rail, road and inland waterways.

LEGISLATIVE ACT: Council Regulation (EC) No 169/2009 of applying rules of competition to transport by rail, road and inland waterway (Codified version).

CONTENT: the purpose of this Regulation is to codify EU provisions set out in Regulation 1017/68/EEC applying rules of competition to transport by rail, road and inland waterways. In codifying legislative acts that have been amended frequently the EU is seeking to both simplify and clarify EU legislation.

The Regulation will supersede the various acts incorporated in it. It fully preserves the content of the acts being codified and hence does no more than bring them together, with only such formal amendments as are required by the codification exercise itself.

ENTRY INTO FORCE: 25/03/2009.
