Declaration of financial interests (EN, FR & DE)

**RULES GOVERNING THE ESTABLISHMENT OF INTERGROUPS**  
**DECISION OF THE CONFERENCE OF PRESIDENTS**  
**OF 16 DECEMBER 1999<sup>1</sup>**

*Article 1*

Intergroups are not organs of Parliament and may not, therefore, express the opinion thereof.

*Article 2*

Intergroups may use neither the name nor the logo of the European Parliament, nor of the political groups they are composed of, nor any name which might lead to confusion with the official bodies of the European Parliament such as parliamentary committees, interparliamentary delegations and joint parliamentary committees. Any intergroup which does so, notwithstanding this provision, shall not be entitled to use Parliament's technical facilities.

*Article 3*

Intergroups may not undertake any activities which might result in confusion with the official activities of Parliament or of its bodies or which are likely to have an adverse effect on relations with the other Institutions of the Union or relations with non-member countries.

*Article 4*

The establishment of intergroups shall be subject to the following conditions:

- applications must be submitted by Members for signature by at least three political groups. The political groups shall be allocated a limited number of signatures for any given parliamentary term, as indicated in the attached allocation scheme (Annex I), which shall be revised at the beginning of each new parliamentary term,
- to be admissible, applications must be accompanied by the appropriate form (Annex II) and a declaration of financial interests (Annex III), in accordance with Article 2 of Annex I to the Rules of Procedure,
- applications must be accompanied by a list of the members of the intergroup.

<sup>1</sup> Consolidated on 3 May 2004 and amended by the Conference of Presidents on 14 February 2008 and 12 April 2012.
