## Sign up for email updates on the European Parliament

Get better informed about the Parliament by signing up to the updates service

### **Be better informed about the European Parliament and its activities by signing up to our email updates service.**

As new developments take place all the time and useful documents get regularly published, it can be hard to keep track of everything that is happening. However, our email notification system makes it easier for you to follow the topics that really interest you.

### **How it works**

The email notification system enables people interested in Parliament to keep track of all Parliament activities in topics that interest them without having to first consult the website.

You simply receive important documents such as press releases and agendas in your inbox as soon as they are published.

You can select the topics you are interested in and how often you want to receive updates.

## How to sign up

To sign up, [visit our email subscription service page](#). Fill in your email address, choose your preferred subjects and confirm the registration by clicking on a link you then receive by mail.

## Updating your preferences

To change the topics you are interested or the frequency of updates, return to the email subscription service page. Enter your email address and password, make the desired changes and save.

## In case of trouble

If you experience any problems, simply email our webmaster at [webmaster@europarl.europa.eu](mailto:webmaster@europarl.europa.eu).
