

Young and inspired? Take part in EYE 2018 to shape Europe's future!

Thousands of young Europeans will gather in Strasbourg next June for the third EYE event to share their vision for Europe's future. Register now to take part.

EYE 2018, the third edition of the European Youth Event, takes place in the European Parliament in Strasbourg on 1-2 June 2018. More than 8,000 Europeans aged 16 to 30 are expected to take part, to share their ideas about the future of Europe and to discuss them with MEPs and other European decision makers.

The ideas put forward during the event will be gathered in a report, which will be distributed to all MEPs in July 2018 and then discussed by parliamentary committees.

The event is open to all Europeans between 16 and 30. Registrations are open only to groups made up of minimum 10 participants. Participation in EYE 2018 is free but participants have to cover their own costs for transportation, accommodation and meals.
