EXPLANATORY MEMORANDUM

According to the terms of Article 6(2) of the Act of Accession of the new EU Member States to the EU, accession of the new EU Member States to the Euro-Mediterranean Association Agreement is to be agreed by means of a protocol to this Agreement. The same article provides for a simplified procedure, whereby the protocol is to be concluded by the Council, acting unanimously on behalf of the Member States, and by the third country concerned. This procedure is without prejudice to the Community's own competences.

On 10 February 2004, the Council approved a mandate for the Commission to negotiate such a protocol with the Arab Republic of Egypt. These negotiations have since been completed to the satisfaction of the Commission. The text of the Protocol was initialled by the Commission and the Egyptian authorities on 11 May 2004 in Cairo.

The attached proposals are for (1) a Council Decision on the signature of the Protocol and (2) a Council Decision on the conclusion of the Protocol.

The text of the protocol negotiated with Egypt is attached. The most important aspects of the protocol are provision for the accession of the new Member States to the EU-Egypt Association Agreement, adaptation of the Protocol on agricultural products and inclusion of the new official languages of the EU.

The Commission would ask the Council to approve the attached draft Council Decisions for the signature and conclusion of the Protocol.

The European Parliament will be called upon to give its assent to this Protocol.
