Recital 4

Draft opinion

4. Welcomes the improvements made to reach an execution rate of 92% for payment credits for the implementation and development of the internal market (budget line 12 02 01); notes the **low** execution rate of 48 % for the SOLVIT Programme (budget line 12 02 02), which is ***expected to be considerably increased in the 2009 and 2010 budgets;***

Amendment

4. Welcomes the improvements made to reach an execution rate of 92 % for payment credits for the implementation and development of the internal market (budget line 12 02 01); notes the execution rate of 48 % for the SOLVIT Programme (budget line 12 02 02) which is ***due to use of payment credits only in the first year of the creation of this budget line; appreciates, therefore, that the execution rate for commitment credits has reached 97%;***
