Amendment 141
Ana Gomes

Motion for a resolution
Paragraph 8 a (new)

Motion for a resolution

Amendment

8a. Underlines that in the ongoing processes of democratic transitions in the Arab Spring countries, the participation of women, young people, civil society and the functioning of free and independent media will be crucial and urges the EU to increase support to train and organise those actors, including by inviting them to observe elections and the functioning of democratic institutions within the EU;

Or. en

Amendment 142
Jacek Saryusz-Wolski

Motion for a resolution
Paragraph 8 a (new)

Motion for a resolution

Amendment

8a. Urges to support the development of democratically oriented political parties in those neighbourhood countries which are still striving towards democracy, as well as creation of NGOs and civil society organisations;

Amendment 143
Tanja Fajon

Motion for a resolution
Paragraph 8 a (new)

Motion for a resolution

Amendment

8a. Stresses that freedom of expression and media independence and pluralism are cornerstones of a solid and sustainable democracy and of common values; strongly supports and calls for the free flow of information, for conditions to be ensured that allow journalists to work effectively and freely without political, economic or other pressure, and for the construction of infrastructure which will make it possible to develop modern electronic technology;

Or. sl

Amendment 144
Mário David, Marek Siwiec

Motion for a resolution
Paragraph 8 a (new)

Motion for a resolution

Amendment

8a. Underlines the importance of independent, sustainable and accountable public media services, to provide quality, pluralistic and diverse content, reminding that free and independent public media always plays a crucial role on the deepening of democracy, in the greatest involvement of the civil society in public affairs and for empowering citizens on the path to democracy;

Ana Gomes

Motion for a resolution
Paragraph 19 b (new)

Motion for a resolution

Amendment

19b. Urges EU Member States to

immediately ensure resettlement to sub-Saharan asylum seekers and refugees identified by UNHCR, who escaped the war in Libya and who cannot return to their countries of origin for political or security reasons and are therefore stranded in humanitarian camps in the North of Africa;

Or. en

Amendment 232
Laima Liucija Andrikiene

Motion for a resolution
Paragraph 20

Motion for a resolution

20. Underlines the importance of paying particular attention to the younger generation; stresses that the EU should increase cooperation in the field of education, immediately ***broadening and increasing*** scholarship programmes ***and mobility of students by promoting*** university and high-school exchanges and public-private partnerships in the field of research; stresses the strong need for a structured information policy towards the citizens of the ENP partners concerning the possibility of participation in EU programmes;

Amendment

20. Underlines the importance of paying particular attention to the younger generation; stresses that the EU should increase cooperation in the field of education, ***therefore, calls on the Commission to immediately broaden and increase existing*** scholarship programmes ***as well as introduce special programmes which would promote*** university and high-school exchanges and public-private partnerships in the field of research, ***facilitate transnational mobility of youth taking part in educational and vocational programmes abroad; in this regard urges visa liberalisation for students and youth wishing to participate in training programmes in the EU countries;*** stresses the strong need for a structured information policy towards the citizens of the ENP partners concerning the possibility of participation in EU programmes;

Motion for a resolution

23. Recalls the importance of cofinancing specific tangible regional projects to contribute to a shared process of development and integration; in this regard, welcomes the opportunity offered by the establishment of the UfM to strengthen complementarity between bilateral policies and regional policies, in order to achieve more effectively the goals of Euro-Mediterranean cooperation, based on the mutual recognition of common values;

Amendment

23. Recalls the importance of cofinancing specific tangible regional projects to contribute to a shared process of development and integration; in this regard, welcomes the opportunity offered by the establishment of the UfM to strengthen complementarity between bilateral policies and regional policies, in order to achieve more effectively the goals of Euro-Mediterranean cooperation, based on the mutual recognition of common values; *welcomes in particular the commitment of the new secretary general of the union to work and bring forward UfM projects in the areas of democracy and civil society;*

Amendment 276
Francisco José Millán Mon

Motion for a resolution
Paragraph 23 a (new)

Motion for a resolution

Amendment

23a. Stresses the importance of the Union for the Mediterranean as a permanent forum for dialogue and cooperation and an instrument for the promotion of democracy; urges the Union for the Mediterranean to be equal to the ambitious objectives it was set up to meet, and to contribute to the effective implementation of the European Neighbourhood Policy in the Mediterranean region

Or. es

Amendment 277
Willy Meyer

Motion for a resolution
Paragraph 23 a (new)

Motion for a resolution

Amendment

23a. Is of the opinion that genuine integration can only be achieved if tangible progress is made in resolving political tensions and regional conflicts in the region, particularly in Palestine and Western Sahara, and that it is through the implementation of major integration projects that the UfM will help to develop a climate of trust conducive to pursuing the goals of a demilitarised Mediterranean basin, in spirit of solidarity and peace;

Or. en

Amendment 278
Boris Zala, Hannes Swoboda

Motion for a resolution
Paragraph 23 a (new)

Motion for a resolution

Amendment

23a. Calls on the Commission and the EEAS to explore opportunities for an institutional interlink between the ENP and the neighbourhood policies of key regional players, above all Turkey; recalls Ankara's ambition to inspire and assist democratic transitions and socio-economic reforms in the Southern Neighbourhood; notes that participation of Turkish institutions and non-governmental organizations in ENP instruments would generate unique synergy effects, especially in areas such as institution-building and civil society development; believes that practical cooperation ought to be complemented by a structured dialogue between the EU and Turkey in order to coordinate their

*respective neighbourhood policies;
recommends that a similar offer of
cooperation in the ENP framework
should, in principle, be extended to Russia
and other relevant stakeholders;*

Or. en

Amendment 279
Vytautas Landsbergis

Motion for a resolution
Paragraph - 24 a (new)

Motion for a resolution

Amendment

-24a. Reminds that peaceful resolution of regional military conflicts, including so called frozen ones, is the essential precondition for democracy consolidation, respect of human rights, prosperity and economic growth, thus should be of the highest interest for the EU;

32. Emphasises that the allocation of resources should be based on a limited number of clearly defined priorities, taking into account partner countries' needs and based on clear conditionality; underlines that budget support should be used only where there are guarantees for sound budgetary management and that the full range of available tools should be used to better reflect the priorities;

Amendment

32. Emphasises that the allocation of resources should be based on a limited number of clearly defined priorities, taking into account partner countries' needs and based on clear conditionality; underlines that budget support should be used only where there are guarantees for sound budgetary management and that the full range of available tools should be used to better reflect the priorities; ***outlines, in this context, the need for enhanced public procurement legislation and public finances management of the ENP countries;***

Or. en

Amendment 334
Jacek Saryusz-Wolski

Motion for a resolution
Paragraph 33 a (new)

Motion for a resolution

Amendment

33a. Points out that although aid can act as a leverage for ENP countries, it is not enough to guarantee sustainable and lasting development; therefore calls on ENP countries to strengthen and mobilise their domestic resources, set up transparent taxation systems, involve effectively private sector, local governments and civil society in the ENP agenda and for their greater ownership of ENP projects;

Or. en

Amendment 335
Dominique Vlasto, Tokia Saïfi

Motion for a resolution
Paragraph 33 a (new)

Motion for a resolution

Amendment

33a. Welcomes the decision of the G8 member countries to increase loan facilities for Southern partnership countries which have embarked on a democratic transition; considers that the commitments entered into in the ‘Deauville Partnership’ on 27 May 2011 are likely to encourage financial mobilisation in support of democracy and development in the EU’s partner countries;
