MINUTES

Meeting of 29 February 2012, from 09.00 to 12.30 and from 15.00 to 18.30,
and 1 March 2012, from 09.00 to 12.30 and from 15.00 to 18.30

BRUSSELS

The meeting opened at 09.05 on Wednesday 29 February 2012, with Matthias Groote, (Chair) in the chair.

1. Adoption of agenda ENVI_OJ (2012)0229_1v01-00

The agenda was adopted as shown in these minutes.

2. Chair's announcements

▪ *Interpretation*

All languages were available except for Estonian, Latvian and Maltese

▪ *Fuel Quality Directive Comitology measure - tar sands*

The chairman informed the Members that on the 23 February 2012, the Standing Committee on Fuel Quality was unable to adopt a favourable opinion on the proposed Commission measure which would establish calculation methods and reporting requirements relating to the greenhouse gas intensity of certain fuels. The draft measure proposes in particular, a default value for tar sands. The vote in the Committee (weighted according to the relative size of the 27 Member States) was as follows: 89 in favour; 128 against; 128 abstentions.

The qualified majority necessary to enable the Committee to adopt a favourable opinion (255) was therefore not reached. Under the Comitology Decision, the Commission will in the coming months make a proposal for a Council Directive, which is also forwarded to the European Parliament for scrutiny. Committee Members will be notified of this in due course via the ENVI Comitology newsletter

▪ **Announcement of two workshops**
