Amendment 1
Silvia-Adriana Țicău

Draft opinion
Paragraph 2

Motion for a resolution

2. Notes that, in considering the implementation of the budget for the 2011 financial year, as in the previous year, the European Court of Auditors focused mainly on cohesion and energy policies rather than on transport policy;

Amendment

2. Notes that, in considering the implementation of the budget for the 2011 financial year, as in the previous year, the European Court of Auditors focused mainly on cohesion and energy policies rather than on transport policy; ***stresses that transport policies are concerned with the development of the internal market, increased competition, innovation and the integration of transport networks;***

Or. ro

Amendment 2
Silvia-Adriana Țicău

Draft opinion
Paragraph 4 a (new)

Motion for a resolution

Amendment

4a. Stresses the importance of investment in the EGNOS and GALILEO research and development programmes, which have implications for all EU policies;

Or. ro

Amendment 3
Michel Dantin

Draft opinion
Paragraph 5

Motion for a resolution

5. Welcomes the 100% utilisation rate for commitment appropriations and 98% utilisation rate for payment appropriations for TEN-T projects; calls on the Member States to ensure that adequate funding is made available from national budgets to match this EU commitment; recalls that Parliament supported a higher level of EU funding;

Amendment

5. Welcomes the 100% utilisation rate for commitment appropriations and 98% utilisation rate for payment appropriations for TEN-T projects, ***which demonstrate the reliability of projects and the fact that they can be achieved well within the deadlines if they receive sufficient funding***; calls on the Member States to ensure that adequate funding is made available from national budgets to match this EU commitment; recalls that Parliament supported a higher level of EU funding ***and support for innovative financing***;
