Or. en

Amendment 423

Sergio Gutiérrez Prieto, Inmaculada Rodríguez-Piñero Fernández, Javi López

Motion for a resolution

Paragraph 7 a (new)

Motion for a resolution

Amendment

7a. Highlights that the quality of industrial relations within a company is a core aspect of Corporate Social Responsibility (CSR), including finding ways for the social partners to work together, especially in improving social dialogue and anticipating and managing change and restructuring, the right of workers to form or join trade unions, to bargain and to strike, and the promotion of workers' participation; calls on the Commission to present a proposal for

harmonisation of CSR requirements, including a mandatory framework for social and environmental reporting, and for companies and managers to take responsibility for the consequences of abuses or misdemeanours, and setting a framework for European agreements on CSR;

Or. en

Amendment 424

Javi López, Jonás Fernández, Sergio Gutiérrez Prieto

Motion for a resolution

Paragraph 7 a (new)

Motion for a resolution

Amendment

7a. Highlights that, according to the European Commission ^{1a}, two thousand fifty two labour market reforms have been undertaken in the EU between 2008 and 2013 favouring flexibility at the expense of security; Calls on the Commission that any adoption or redefinition of the concept of 'flexicurity' is made on the basis of strengthening active labour market policies (ALMP) and to reverse the reforms of labour markets imposed by European Semester in Member States which have resulted in a loss of rights for workers, such as decentralization of collective bargaining;

^{1a}<https://webgate.ec.europa.eu/labref/public/result.cfm>

Or. en

Amendment 425

Jutta Steinruck

Motion for a resolution

Paragraph 7 a (new)

Motion for a resolution

Amendment

7a. *A proposal for a Directive introducing a new and integrated architecture for the involvement of workers in European company forms, setting high standards on information and consultation and introduce binding EU-minimum standards on workers' board level representation; this new framework should become the single reference on information, consultation and board-level representation for all European company forms and all European company law instruments and it should introduce an obligation to put in place a system for workers' representation in the board of directors or supervisory boards;*

Or. en

Amendment 426
Evelyn Regner

Motion for a resolution
Paragraph 7 a (new)

Motion for a resolution

Amendment

7a. *Calls for a protocol on social progress to be enshrined at the level of EU primary law which should clearly stipulate that economic freedoms on the internal market do not encompass the prohibition of restrictions but instead provide for equal treatment and that in the event of a conflict, fundamental social rights must have priority over basic economic freedoms and competition rules. Furthermore, it should define the notions of "social progress" and "social market economy" contained in the Lisbon Treaty and include a clause protecting the autonomy of social partners;*

Or. en

Amendment 427
Enrico Gasbarra

Motion for a resolution
Paragraph 7 a (new)

Motion for a resolution

Amendment

7a. Requests the Commission to submit at the earliest opportunity, after consulting the social partners, a proposal for a legal act on the participation of workers in corporate governance for organisations covered by European company law, and to establish minimum consultation and information criteria for workers in all EU countries;

Or. it

Amendment 428
Renate Weber

Motion for a resolution
Paragraph 7 a (new)

Motion for a resolution

Amendment

7a. Emphasises the need to increase awareness of various forms of severe labour exploitation affecting both third country nationals and EU citizens and to increase efforts to take effective measures to eradicate such forms of exploitation, including exploitation in private households;

Or. en

Amendment 429
Heinz K. Becker

Motion for a resolution
Paragraph 7 a (new)

Motion for a resolution

Amendment

7a. *Stresses the importance of social and solidarity based enterprises in Europe; calls therefore for an European definition for social and solidarity based enterprises as well as for greater use of the EFSI to support their entrepreneurial activities;*

Or. en

Amendment 430

Jens Nilsson, Elena Gentile, Sven Giegold, Ramón Luis Valcárcel Siso, Sofia Ribeiro

Motion for a resolution
Paragraph 7 a (new)

Motion for a resolution

Amendment

7a. *Calls on the Commission and Member States to fully take advantage of enterprise models based on solidarity and worker's participation in the decision-making process, such as within the social economy enterprise models;*

Or. en

Amendment 431

Tamás Meszerics

on behalf of the Verts/ALE Group

Motion for a resolution
Paragraph 7 a (new)

Motion for a resolution

Amendment

7a. *Is concerned about the high and rising number of workers who are forced into bogus self-employment while they are performing the same tasks as employees,*

with subsequent less coverage in social security and pension rights;

Or. en

Amendment 432
Thomas Mann

Motion for a resolution
Paragraph 7 a (new)

Motion for a resolution

Amendment

7a. Supports strengthening social dialogue at all levels - regional, national, European and international; regards successful social dialogue as the core component of the European social model;

Or. de

Amendment 433
Sorin Moisă

Motion for a resolution
Paragraph 7 a (new)

Amendment

8. Supports more integrated provision of social protection benefits and social services as a way to make the welfare state more understandable and accessible while not weakening social protection; points to the importance of informing citizens about social rights and to the potential of e-government solutions, possibly including a European social security card, which could improve individual awareness and also help mobile workers clarify their contributions and entitlements;

8. Calls for a reversal of the policies pursued in recent years, which have consisted of disinvestment in social security schemes and cuts in social protection benefits and social services, and considers that such benefits should be treated as a social function of the State and their funding and scope increased; points to the importance of informing citizens about *their* social rights;

Amendment

12. Calls for a European framework for ***a guaranteed European*** minimum income; highlights the importance of such schemes for maintaining human dignity as well as their role as a form of social investments enabling people to undertake training and/or look for work;

Or. el

Amendment 544

Tamás Meszerics

on behalf of the Verts/ALE Group

Motion for a resolution

Paragraph 12

Motion for a resolution

12. Calls for a European framework *for* minimum income schemes; highlights the importance of such schemes for maintaining human dignity as well as their role as a form of social investments enabling people to undertake training and/or look for work;

Amendment

12. Calls for a European framework *directive on adequate* minimum income schemes *that sets common methodologies for defining their adequacy (e.g. 60% at risk of poverty indicator, material deprivation, reference budgets) and establishes common principles, definitions and methods to achieve a level playing field across Europe*; highlights the importance of such schemes for maintaining human dignity as well as their role as a form of social investments enabling people to undertake training and/or look for work;

Or. en

Amendment 545

Maria João Rodrigues, Sergio Gutiérrez Prieto, Vilija Blinkevičiūtė, Brando Benifei, Georgi Pirinski, Agnes Jongerius, Joachim Schuster, Emilian Pavel, Maria Arena, Flavio Zanonato, Siôn Simon

Motion for a resolution

Paragraph 12

Motion for a resolution

12. Calls for a European framework for minimum income schemes; highlights the importance of such schemes for maintaining human dignity as well as their role as a form of social investments enabling people to undertake training and/or look for work;

Amendment

12. Calls for a European framework for *adequate* minimum income schemes; highlights the importance of such schemes for maintaining human dignity as well as their role as a form of social investments enabling people to undertake training and/or look for work; *notes with concern that in some Member States, no minimum income schemes are in place or they provide less to their recipients than the subsistence minimum; reminds also of the*

importance of material assistance schemes such as those supported by the Fund for European Aid to the Most Deprived; encourages stronger provision of support for active social inclusion and labour market (re-)integration alongside minimum income and material assistance schemes;

Or. en

Amendment 546
Gabriele Zimmer

Motion for a resolution
Paragraph 12

Motion for a resolution

12. Calls for a European framework for minimum income schemes; highlights the importance of such schemes for maintaining human dignity as well as their role as a form of social investments enabling people to undertake training and/or look for work;

Amendment

12. Calls for a European framework for minimum income schemes, ***setting minimum standards for poverty proof individual income in all Member States of at least 60 percent of the national median equivalised income, which at the same time precludes material deprivation as defined in the EU-SILC indicator;*** highlights the importance of such schemes for maintaining human dignity as well as their role as a form of social investments enabling people to undertake training and/or look for work;

Or. en

Amendment 547
Georgi Pirinski

Motion for a resolution
Paragraph 12

Motion for a resolution

12. Calls for a European framework for minimum income schemes; highlights the

Amendment

12. Calls for a European framework for minimum income schemes ***in the EU***

importance of such schemes for maintaining human dignity as well as their role as a form of social investments enabling people to undertake training and/or look for work;

which are at least equal to the risk-of-poverty threshold set at 60% of the national median equalized disposable income; highlights the importance of such schemes for maintaining human dignity as well as their role as a form of social investments enabling people to undertake training and/or look for work;

Or. en

Amendment 548
Sofia Ribeiro

Motion for a resolution
Paragraph 12

Motion for a resolution

12. Calls for a European framework for minimum income schemes; highlights the importance of such schemes for maintaining human dignity as well as their role as a form of social investments enabling people to undertake training and/or look for work;

Amendment

12. Calls for a European framework for minimum income schemes, *without prejudice to subsidiarity*; highlights the importance of such schemes for maintaining human dignity as well as their role as a form of social investments enabling people to undertake training and/or look for work; *maintains that, in order to be effective, such schemes have to be encompassed within social integration systems, for they cannot serve merely as individual and household financial support models*;

Or. pt

Amendment 549
João Pimenta Lopes

Motion for a resolution
Paragraph 12

Motion for a resolution

12. Calls for a European framework for minimum income schemes; highlights the

Amendment

12. Calls for a European framework for minimum income schemes; highlights the

importance of such schemes for maintaining human dignity as well as their role as a form of social investments enabling people to undertake training and/or look for work;

importance of such schemes for maintaining human dignity as well as their role as a form of social investments enabling people to undertake training and/or look for work; *maintains that this concept needs to be analysed and studied in greater depth, so as to ensure, given the serious economic crisis in the EU and its Member States, that the amount set, which should never be less than 60% of the median income in Member States, is appropriate to the specific circumstances in each case, thus ensuring that minimum income will achieve its intended aims, especially as regards overcoming poverty;*

Or. pt

Amendment 550
Kostadinka Kuneva

Motion for a resolution
Paragraph 12

Motion for a resolution

12. Calls for a European framework for minimum income schemes; highlights the importance of such schemes for maintaining human dignity as well as their role as a form of social investments enabling people to undertake training and/or look for work;

Amendment

12. Calls for a European framework for minimum income schemes; highlights the importance of such schemes for maintaining human dignity as well as their role as a form of social investments enabling people to undertake training and/or look for work; *insists, however, on the need to ensure that minimum income schemes do not replace all social protection and welfare benefits that have been secured;*

Amendment 589

Enrique Calvet Chambon, Yana Toom

Motion for a resolution
Paragraph 15

Motion for a resolution

15. Considers **child poverty to be a major issue** on which Europe should ‘act big’; **calls for the swift implementation of a Child Guarantee in all Member States**, so that every child **now living** in poverty can have access to free healthcare, free education, free childcare, **decent housing and proper nutrition**;

Amendment

15. Considers poverty **and inequalities are** major **issues** on which Europe should ‘act big’; **considers the right to free and universal education, health and social security systems as basic conditions for combating poverty, in particular among children; bearing in mind this objective, calls on the Commission and the Member States, in view of the weakening of public services, to introduce a child guarantee** so that every child in poverty can have access to free healthcare, free education, free childcare **and adequate nutrition, as part of a European integrated plan to combat child poverty including both the Child Guarantee and programmes offering support and opportunities for the parents to come out of social exclusion situations and to integrate the labour market**;

Or. en
