**Motion for a resolution**

**Paragraph 1**

*Motion for a resolution*

*Amendment*

**1. Welcomes the communication on a European Agenda for the collaborative economy, and underlines that it should represent a first step towards a more comprehensive and ambitious EU strategy on it;**

**1. Welcomes the communication on a European Agenda for the collaborative economy, and underlines that it should represent a first step towards a more comprehensive and ambitious EU strategy on it *the objective of which should be a European legal framework;***

Or. de

**Amendment 30**

**Anna Hedh**

**Motion for a resolution**

**Paragraph 1**

*Motion for a resolution*

1. Welcomes the communication on a European Agenda for the collaborative economy, and underlines that it should represent a first step towards a more comprehensive and ambitious EU strategy on it;

*Amendment*

1. Welcomes the communication on a European Agenda for the collaborative economy, and underlines that it should represent a first step towards a more comprehensive and ambitious EU strategy on it; ***stresses the need for further clarification from the Commission in order to ensure a well-balanced and proportionate way forward;***

Or. en

**Amendment 31**  
**Adam Szejnfeld**

**Motion for a resolution**  
**Paragraph 1 a (new)**

*Motion for a resolution*

*Amendment*

***1a. Maintains that the collaborative economy, which covers activities which are gainful but are not economic activities pursued on a professional basis, should not be subject to additional administrative burdens; considers, on the other hand, that entities engaged on a professional basis in intermediary activities between providers and recipients of services in the context of the collaborative economy should be subject to generally applicable business laws;***

Or. pl

**Amendment 32**  
**Evelyne Gebhardt**

**Motion for a resolution**  
**Paragraph 1 a (new)**

*Motion for a resolution*

*Amendment*

***1 a. nevertheless brings into consideration that the term "collaborative***

*economy" is only suitable where genuinely participative peer-to-peer marketplaces and other platforms are concerned while many platforms act as intermediaries in traditionally two-sided markets and therefore add a third dimension of profit-making which are unrelated to the peer-to-peer nature of the collaborative economy;*

Or. en

**Amendment 33**  
**Adam Szejnfeld**

**Motion for a resolution**  
**Paragraph 1 b (new)**

*Motion for a resolution*

*Amendment*

*Ib. Considers that there is no need for the Commission to adopt detailed regulations on the collaborative economy;*

Or. pl
