The CAP towards 2020: meeting the food, natural resources and territorial challenges of the future
2011/2051(INI)

Motion for a resolution
Paragraph 19

Motion for a resolution

19. Welcomes the recognition of the role of small farmers in European agriculture and rural development; is in favour of establishing a specific, simplified aid scheme for small farmers, who help to stabilise rural development; calls on the Commission, in the interests of transparency and legal security, to establish flexible and objective criteria for the status of small farmers to be defined by each Member State; calls for Member States to decide, in accordance with subsidiarity, which farmers qualify for this scheme;

Amendment

19. Welcomes the recognition of the role of small farmers in European agriculture and rural development; is in favour of establishing a specific, simplified aid scheme for small farmers, who help to stabilise rural development; recalls, however, that this scheme should not hamper the necessary modernisation of many small farms; calls on the Commission, in the interests of transparency and legal security, to establish flexible and objective criteria for the status of small farmers to be defined by each Member State; calls for Member States to decide, in accordance with subsidiarity, which farmers qualify for this scheme;

The CAP towards 2020: meeting the food, natural resources and territorial challenges of the future
2011/2051(INI)

Motion for a resolution
Paragraph 64

Motion for a resolution  Amendment

64. Recalls the commitment given by the WTO members during the 2005 Hong Kong Ministerial Conference to achieving the elimination of all forms of export subsidies in full parallelism with the imposition of discipline on all export measures with equivalent effect, notably export credits, agricultural state trading enterprises and the regulation of food aid;

64. Reiterates its support for the commitment given by the WTO members during the 2005 Hong Kong Ministerial Conference to achieving the elimination of all forms of export subsidies in parallel with similar measures being taken by EU trade partners;
