The CAP towards 2020: meeting the food, natural resources and territorial challenges of the future
2011/2051(INI)

Motion for a resolution
Paragraph 59 a (new)

Motion for a resolution

59a. Calls on the Commission, in conformity with what has been announced, in the absence of an effective regulatory mechanism for the milk sector post-2015 and in view of the real situation of the milk sector and of dairy products, to consider the possibility of re-examining the suppression of the present system, in the time context of the foreseen revision of the regulation of contractual relations, in 2014, and assure a system that guarantees the adequate regulation of the European milk market.
