Amendment 3
Miroslav Ouzký
on behalf of the ECR Group

Motion for a resolution
Karl-Heinz Florenz, Vittorio Prodi, Corinne Lepage, Sandrine Bélier, Miroslav Ouzký, Kartika Tamara Liotard
on behalf of the Committee on the Environment, Public Health and Food Safety
Developing a common EU position ahead of the United Nations Conference on Sustainable Development (Rio+20)

Motion for a resolution
Paragraph 6

6. Emphasises that there is a crucial need to inject greater urgency and dynamism into the implementation and the international governance of sustainable development policies which are making slow progress;

6. Emphasises that there is a crucial need to inject greater urgency and dynamism into the implementation of sustainable development policies which are making slow progress;

Or. cs
Amendment 4
Miroslav Ouzký, Martin Callanan
on behalf of the ECR Group

Motion for a resolution
Karl-Heinz Florenz, Vittorio Prodi, Corinne Lepage, Sandrine Bélier, Miroslav Ouzký, Kartika Tamara Liotard
on behalf of the Committee on the Environment, Public Health and Food Safety
Developing a common EU position ahead of the United Nations Conference on Sustainable Development (Rio+20)

Motion for a resolution
Paragraph 27

27. Stresses that the extraction and use of resources have a big impact on the environment and local communities; urges the Commission to integrate the concept of internalisation of external costs on the environment and communities into the discussions and negotiations at Rio+20;

27. Stresses that the extraction and use of resources are not irrelevant to the environment and local communities; asks the Commission to consider whether the concept of internalisation of external costs on the environment and communities should be integrated into the discussions and negotiations at Rio+20;

Or. cs
Amendment 5
Miroslav Ouzký
on behalf of the ECR Group

Motion for a resolution
B7-0522/2011
Karl-Heinz Florenz, Vittorio Prodi, Corinne Lepage, Sandrine Bélier, Miroslav Ouzký, Kartika Tamara Liotard
on behalf of the Committee on the Environment, Public Health and Food Safety
Developing a common EU position ahead of the United Nations Conference on Sustainable Development (Rio+20)

Motion for a resolution
Paragraph 38

38. Points to the increasing scarcity of conventional fossil energy sources, such as oil, natural gas or coal; reiterates their contribution to the greenhouse gas effect, while non-conventional sources should be subject to environmental and productivity impact assessment;

Amendment
38. Points to the increasing scarcity of conventional fossil energy sources, such as oil, natural gas or coal and underlines their differentiated contribution to the greenhouse gas effect, while non-conventional sources should be subject to environmental and productivity impact assessment taking into account the fact that basic energy needs should be secured irrespective of changing weather conditions;

Or. cs
Amendment 6
Miroslav Ouzký
on behalf of the ECR Group

Motion for a resolution
B7-0522/2011
Karl-Heinz Florenz, Vittorio Prodi, Corinne Lepage, Sandrine Bélier, Miroslav Ouzký, Kartika Tamara Liotard
on behalf of the Committee on the Environment, Public Health and Food Safety
Developing a common EU position ahead of the United Nations Conference on Sustainable Development (Rio+20)

Motion for a resolution
Paragraph 40

40. Underlines that the transition towards a green economy requires a radical transformation of the energy sector in order to promote renewable energy and energy efficiency and also universal access to energy also for the poor and to foster electrification, especially in least developed countries; emphasises the need for renewable energy technology and (cross-sectoral) technology and know-how transfer, particularly to support small-scale and local renewable energy use, in order not to hinder their right to development;

Amendment

40. Underlines that the transition towards a green economy requires a transformation of the energy sector including promotion of renewable energy and energy efficiency and also universal access to energy also for the poor and to foster electrification, especially in least developed countries; emphasises the need for renewable energy technology and (cross-sectoral) technology and know-how transfer, particularly to support small-scale and local renewable energy use, in order not to hinder their right to development;

Or. cs
Amendment 7
Miroslav Ouzký
on behalf of the ECR Group

Motion for a resolution
B7-0522/2011
Karl-Heinz Florenz, Vittorio Prodi, Corinne Lepage, Sandrine Bélier, Miroslav Ouzký, Kartika Tamara Liotard
on behalf of the Committee on the Environment, Public Health and Food Safety
Developing a common EU position ahead of the United Nations Conference on Sustainable Development (Rio+20)

Motion for a resolution
Paragraph 41

41. Calls for global targets and measures to increase the use of renewable energy and energy efficiency worldwide;

41. deleted

Or. cs
Amendment 8
Miroslav Ouzký
on behalf of the ECR Group

Motion for a resolution B7-0522/2011
Karl-Heinz Florenz, Vittorio Prodi, Corinne Lepage, Sandrine Bélier, Miroslav Ouzký, Kartika Tamara Liotard
on behalf of the Committee on the Environment, Public Health and Food Safety
Developing a common EU position ahead of the United Nations Conference on Sustainable Development (Rio+20)

Motion for a resolution
Paragraph 46

Motion for a resolution
Paragraph 46

46. Recalls the risks related to nuclear energy, as again proven by the Fukushima catastrophe; calls for a phase-out of existing nuclear power plants and opposes the building of any new nuclear power stations;

Amendment

46. Recalls the risks related to nuclear energy, as proven by the Fukushima catastrophe, calls for a phase-out of existing nuclear power plants in areas of seismic activity where the technology of such plants is not considered safe or robust enough to mitigate the risks posed by their location; also calls for the lessons learned from previous disasters to be taken into account when constructing new nuclear power stations;

Or. cs
Amendment 9
Miroslav Ouzký
on behalf of the ECR Group

Motion for a resolution  
Karl-Heinz Florenz, Vittorio Prodi, Corinne Lepage, Sandrine Bélier, Miroslav Ouzký,  
Kartika Tamara Liotard
on behalf of the Committee on the Environment, Public Health and Food Safety
Developing a common EU position ahead of the United Nations Conference on Sustainable  
Development (Rio+20)

Motion for a resolution
Paragraph 48

48. Emphasises that there is an urgent need to promote small-scale, sustainable,  
organic agriculture in the context of poverty eradication, recognizing that  
appropriate low impact, multifunctional farming systems employing traditional  
seed stands already exist and should be promoted; **calls for secure access to seeds for all segments of the population;**  
**stresses that GM crops and monoculture are not part of sustainable development;**

48. Emphasises that there is an urgent need to promote small-scale, sustainable,  
organic agriculture in the context of poverty eradication, recognizing that  
appropriate low impact, multifunctional farming systems employing traditional  
seed stands already exist and should be promoted;
Amendment 10
Miroslav Ouzký
on behalf of the ECR Group

Motion for a resolution B7-0522/2011
Karl-Heinz Florenz, Vittorio Prodi, Corinne Lepage, Sandrine Bélier, Miroslav Ouzký, Kartika Tamara Liotard
on behalf of the Committee on the Environment, Public Health and Food Safety
Developing a common EU position ahead of the United Nations Conference on Sustainable Development (Rio+20)

Motion for a resolution
Paragraph 71

Motion for a resolution

71. Calls for a tax on financial transactions to be established at international level and for the revenues to be used to support biodiversity and climate protection in the developing countries in line with objectives set under UNFCCC and CBD;

Amendment

71. deleted

Or. cs
26.9.2011

Amendment 11
Miroslav Ouzký
on behalf of the ECR Group

Motion for a resolution  
Karl-Heinz Florenz, Vittorio Prodi, Corinne Lepage, Sandrine Bélier, Miroslav Ouzký, Kartika Tamara Liotard
on behalf of the Committee on the Environment, Public Health and Food Safety
Developing a common EU position ahead of the United Nations Conference on Sustainable Development (Rio+20)

Motion for a resolution
Paragraph 101

101. Reiterates its proposal for an international environmental court so that global environmental legislation becomes more binding and enforceable, or at least an international authority, such as an ombudsman with mediation powers;
Amendment 12
Miroslav Ouzký
on behalf of the ECR Group

Motion for a resolution
B7-0522/2011
Karl-Heinz Florenz, Vittorio Prodi, Corinne Lepage, Sandrine Bélier, Miroslav Ouzký, Kartika Tamara Liotard
on behalf of the Committee on the Environment, Public Health and Food Safety
Developing a common EU position ahead of the United Nations Conference on Sustainable Development (Rio+20)

Motion for a resolution

Amendment 14
Miroslav Ouzký
on behalf of the ECR Group

Motion for a resolution
Karl-Heinz Florenz, Vittorio Prodi, Corinne Lepage, Sandrine Bélier, Miroslav Ouzký,
Kartika Tamara Liotard
on behalf of the Committee on the Environment, Public Health and Food Safety
Developing a common EU position ahead of the United Nations Conference on Sustainable
Development (Rio+20)

Motion for a resolution
Paragraph 45

Motion for a resolution

45. Considers that the external costs of energy supply should be reflected in the price of energy;

Amendment

45. deleted

Or. cs
Amendment 15
Miroslav Ouzký
on behalf of the ECR Group

Motion for a resolution  B7-0522/2011
Karl-Heinz Florenz, Vittorio Prodi, Corinne Lepage, Sandrine Bélier, Miroslav Ouzký, Kartika Tamara Liotard
on behalf of the Committee on the Environment, Public Health and Food Safety
Developing a common EU position ahead of the United Nations Conference on Sustainable Development (Rio+20)

Motion for a resolution
Paragraph 72

72. Underlines that fiscal reforms designed to shift the tax burden from labour to resource use and pollution can help create a win-win outcome for both employment and the environment, as the shift makes resource efficiency, recycling and re-use more attractive and thereby provides more opportunities for jobs;

72. deleted
