Amendment 19
Vittorio Prodi
on behalf of the S&D Group

Motion for a resolution
B7-0522/2011
Karl-Heinz Florenz, Vittorio Prodi, Corinne Lepage, Sandrine Bélier, Miroslav Ouzký, Kartika Tamara Liotard
on behalf of the Committee on the Environment, Public Health and Food Safety
Developing a common EU position ahead of the United Nations Conference on Sustainable Development (Rio+20)

Motion for a resolution
Paragraph 5

Motion for a resolution
Amendment

5. Underlines that the Rio+20 Summit represents a crucial opportunity to reinforce the political commitment for sustainable development at global level and the partnerships between industrialised and developing countries;

5. Underlines that the Rio+20 Summit represents a crucial opportunity to reinforce the political commitment for sustainable development at global level and the partnerships between industrialised and developing countries, *advocating a model of society based on the 'common good' principle, reflecting the ethical centrality of the individual*;

Amendment 22
Vittorio Prodi
on behalf of the S&D Group

Motion for a resolution
Karl-Heinz Florenz, Vittorio Prodi, Corinne Lepage, Sandrine Bélier, Miroslav Ouzký, Kartika Tamara Liotard
on behalf of the Committee on the Environment, Public Health and Food Safety
Developing a common EU position ahead of the United Nations Conference on Sustainable Development (Rio+20)

Motion for a resolution
Paragraph 87

87. Acknowledges that technological innovation, assessment and transfer is essential to meet environmental, economic and social challenges; underlines also, however, that technological development cannot be the only solution to environmental problems or for poverty eradication;

Amendment
87. Acknowledges that technological innovation, assessment and transfer is essential to meet environmental, economic and social challenges; underlines also, however, that technological development cannot be the only solution to environmental problems or for poverty eradication, and that a change in cultural values is necessary to promote general awareness, and responsible behaviour for the common good;

Developing a common EU position ahead of the United Nations Conference on Sustainable Development (Rio+20)

Motion for a resolution
Paragraph 48 a (new)

\textit{Motion for a resolution} \hspace{1cm} \textit{Amendment}

\begin{quote}
48a. \textit{Believes that the livestock sector is a key part of the green economy, that implementing humane and sustainable livestock farming practices is vital and that improving and safeguarding livelihoods plays an important role in reducing the impact of climate change, especially in developing countries and rural areas;}
\end{quote}
