**Paragraph 5 a (new)**

*Motion for a resolution*

*Amendment*

**5a. Calls on the Commission to come up with a proposal to integrate the Euro Plus pact into the Community Method to combine sufficient oversight from the EU level as well as Member State ownership; The EPRS should incentivise Member States to undertake structural reforms in areas that fall under their national competence; Calls on Member States to accelerate the setting up of national Competitiveness boards to evaluate wage setting mechanism, competitiveness and play an active role in preventing Macro economic imbalances; Underlines that in some cases, social cohesion would require that minimum pensions are complement with EU financial instruments;**
