§ 15

First part

‘Calls on the Council to effectively promote compliance with international humanitarian law, as provided for in the relevant EU guidelines; reiterates, in particular, the need for the strict application by all EU Member States of the rules laid down in Council Common Position 2008/944/CFSP;’

Second part ‘recalls, in this regard, its resolution on the humanitarian situation in Yemen of 25 February 2016, which calls on the VP/HR to launch an initiative to impose an EU arms embargo against Saudi Arabia, given the serious allegations of breaches of international humanitarian law by Saudi Arabia in Yemen and the fact that the continued licensing of weapons sales to Saudi Arabia would therefore be in breach of Council Common Position 2008/944/CFSP;’

Recital M

First part ‘whereas there is an international arms embargo in place against the Iranian-backed Houthi/Saleh forces;’

Second part ‘whereas according to the 18th EU Annual Report on Arms Exports, EU Member States have continued to authorise transfers of arms to Saudi Arabia since the escalation of the conflict, in a violation of Common Position 2008/944/CFSP on arms export control; whereas Parliament’s resolution of 25 February 2016 on the humanitarian situation in Yemen called on the VP/HR to launch an initiative to impose an EU arms embargo on Saudi Arabia, in line with Council Common Position 2008/944/CFSP of 8 December 2008;’
