Rapporteur: Yannick Jadot
A7-0310/2010

Motion for a resolution

Paragraph 7 should read:

7. Considers that the WTO rules should be interpreted and developed in such a way as to support commitments made in multilateral environmental agreements; calls on the Commission to work on building a consensus at the WTO to give the secretariats of multilateral environmental agreements observer status at all WTO meetings concerning their area of competence and an advisory role in environmental dispute settlement procedures; stresses that new **international** rules should be set up in order to eliminate the comparative advantage conferred by cheap CO₂ emission;
