Paragraph 32 a (new)

Motion for a resolution

Amendment

32a. Emphasises the importance of the EU in supporting developing countries in their struggle to fight climate change; notes the Commission's estimates that EU funding in the range of EUR 500 000 000 to 2 100 000 000 per year is needed for climate change mitigation and adaptation in developing countries between 2010 and 2012; stresses that climate finance needs to come from additional funding and not from cuts in existing development aid, in order for the EU to honour its commitment to achieve the Millennium Development Goals;
