Notes the ***proposal on the organisation of relations*** between Parliament and the Council ***regarding their respective budgets***, as annexed to the letter of Secretary-General of the Council of ***30 September 2010; disagrees with the standpoints of that proposal***, and reiterates that a distinction must be maintained with regard to the different roles of Parliament and the Council in the discharge procedure and in the budgetary procedure, since these are two separate procedures and at no time and under no circumstances can the Council be anything other than fully accountable to the public for the funds entrusted to it; deeply regrets that the Council Presidency and the General Secretariat of the Council declined to attend the meeting of the Committee responsible for the discharge procedure to provide information and answers to questions on the Council discharge for the financial year 2009, and that they also declined to provide written replies to the questionnaire as submitted by the rapporteur;
