**Motion for a resolution**

**Paragraph 23 a (new)**

*Motion for a resolution*

*Amendment*

*23a. Reiterates its call for a general review of the Commission's fining guidelines; suggests again that it evaluate the disproportionate negative implications that robust compliance programmes currently have for the infringer and specify the conditions under which parent companies exercising decisive influence over a subsidiary without being directly involved in an infringement should be made jointly and severally liable for antitrust infringements; urges the Commission to ensure that its fines take into account any compensation already paid to third parties in order to encourage fast and cost-efficient compensation for injured parties;*

**Paragraph 23 b (new)**

*Motion for a resolution*

*Amendment*

*23b. Notes that the use of global turnover for the 10 % ceiling can lead to cumulative sanctions being imposed for the same infringement, given the increasing number of competition authorities worldwide; considers, therefore, that EEA-based turnover would be more appropriate than global turnover;*
