*Draft legislative resolution*

*Amendment*

***1b. Takes note of the Commission statement annexed to this resolution;***

Or. en

For information, the statement reads as follows:

***“Commission statement on financial compensation for consumers***

***In view of its ongoing efforts to strengthen the enforcement of Union harmonisation legislation for products, the Commission - in order to address potential financial loss by consumers due to wrongly labelled products or inferior energy and environmental performance than labelled - should investigate whether compensation for consumers in case of non-compliance with regard to energy class displayed on the label can be addressed.”***
