Paragraph 63 b (new)

Motion for a resolution

Amendment

63b. Is deeply concerned at the differences in the performance of education systems in Member States, as shown by the latest PISA reports; stresses that properly resourced public education and training systems, accessible to all, are essential for equality and social inclusion and for meeting the targets set by SDG 4, and that quality education has the ability to empower vulnerable people, minorities, people with special needs and women and girls; regrets the persistent problem of high youth unemployment; notes that education is key to developing self-sustaining societies; calls for the EU to link quality education, technical and vocational training and cooperation with industry as an essential precondition for youth employability and access to qualified jobs;
