(COM(2012)0535 – C7-0310/2012 – 2011/0281(COD) – 2013/2529(RSP))

**Proposal for a regulation**

**Recital 1a (new)**

*Text proposed by the Commission*

*Amendment*

***(1 a) In accordance with Article 208 of the Treaty on the Functioning of the European Union (TFEU), objectives of development cooperation, including those approved in the context of the United Nations and other international organisations, should be taken into account under the CAP. Measures taken under this regulation should not jeopardise the food production capacity and long term food security of developing countries, in particular least developed countries (LDCs), and contribute to achieving the Union's commitments on mitigating climate change.***

**Recital 94**

*Text proposed by the Commission*

*Amendment*

(94) A single market involves a trading system at the external borders of the Union. That trading system should include import duties and export refunds and should, in principle, stabilise the Union market. The trading system should be based on the undertakings accepted under the Uruguay Round of multilateral trade negotiations and in bilateral agreements.

(94) A single market involves a trading system at the external borders of the Union. That trading system should include import duties and ***should continue to include*** export refunds ***for a limited period*** and should, in principle, stabilise the Union market. The trading system should be based on the undertakings accepted under the Uruguay Round of multilateral trade negotiations and in bilateral agreements, ***and take into account the Union's development objectives and commitments towards developing countries as well as the commitment of the 2005 WTO ministerial declaration of eliminating all forms of export subsidies until 2013.***
